

# MATERIAL SAFETY DATA SHEET

## Heparinase III recombinant in sucrose 5%, 10 IU/mL RESEARCH GRADE

Revision 01 / Dec 2008

### SECTION 1 - CHEMICAL PRODUCT AND COMPANY INFORMATION

IBEX Pharmaceuticals, Inc. 5485 Paré Street Montréal, Québec, H4P 1P7, CANADA	Emergency Number: (514) 344-4004 Information Number: (514) 344-4004
---	--

**Product Name:** Heparinase III, recombinant in sucrose 5%, 10 IU/mL Research grade  
**Part Numbers:** 50-012  
50-012-001

### SECTION 2 - COMPOSITION AND INFORMATION ON INGREDIENTS

**CAS No.:** 31290-86-1  
**EC No.** 4.2.2.8

**Systematic name:** Heparin III lyase  
**Synonyms:** Heparin sulfate eliminase  
Heparitinase I

**Origin:** Recombinant, non-pathogenic microorganism

**Ingredients:** Recombinant protein in sodium phosphate; sodium chloride; sucrose; water

**Physical state:** Aqueous solution; liquid or frozen

---

---

### SECTION 3 - HAZARDS IDENTIFICATION

**Emergency overview:** Solution in water. Will not support burning. Not explosive.

**Potential Health Effects:**

**Skin:** May cause skin irritation  
**Eyes:** May cause irritation or burning sensation  
**Inhalation:** May cause irritation to the respiratory tract  
**Swallowed:** Not known to cause toxic effects  
**Injection:** Not known to cause toxicity

**Carcinogenicity:** Not determined

---

---

### SECTION 4 - FIRST AID MEASURES

**Skin contact:** Flush with copious amounts of water.  
**Eye contact:** Rinse opened eye for several minutes under running water. Then consult a doctor.  
**Inhalation:** Supply the victim with fresh air; consult doctor in case of complaints.  
**Swallowing:** Rinse mouth with plenty of water.  
**On all of the above:** Consult a doctor if symptoms develop.

---

---

### SECTION 5 - FIRE FIGHTING MEASURES

**Suitable extinguishing agents:** Noncombustible.  
**Protective equipment:** No special measures required. Prevent contact with skin and eyes.

---

---

### SECTION 6 - ACCIDENTAL RELEASE MEASURES

**Person-related safety precautions:** Prevent contact with skin and eyes. Ventilate area.  
**Measures for environmental protection:** No special measures required.  
**Measures for cleaning/collecting:** Spilled material should be carefully wiped up and disposed as biomedical waste as per applicable waste disposal regulations. Wash spill site after material pickup is complete.  
**Additional information:**

---

---

---

---

SECTION 7 - HANDLING AND STORAGE

**Handling**

**Information for safe handling:** Prevent contact with skin and eyes and prevent inhalation and swallowing. No other special precautions are necessary if used correctly.

**Information about protection against explosions and fires:** No special measures required.

**Storage**

**Requirements to be met by storerooms and receptacles:** No special requirements except that product should be stored frozen (preferably at -70 °C).

**Information about storage in one common storage facility:** Not required.

**Further information about storage conditions:** None

**Storage class:** None assigned

**Class according to regulation on flammable liquids:** Void

---

---

SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

**General protective and hygienic measures:** The usual precautionary measures for handling chemicals and potentially biohazardous materials should be followed. Use clothing sufficient to avoid skin contact. Safety shower and eye wash should be available in proximity.

**Protection of hands:** Use synthetic water resistant gloves.

**Eye protection:** Use safety glasses.

---

---

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

**Physical form:** Frozen, colorless, odorless aqueous solution.  
(Heparinase III is a protein)

**Melting point:** 0 °C (melting point of aqueous solution)

**Boiling point:** Not applicable

**Flash point:** Not applicable

**Flammability:** Product is not flammable

**Danger of explosion:** Not determined

**Solubility:** Heparinase III and ingredients are water soluble

**Organic solvents:** 0 %

**Solids content:** 0 %

---

---

---

---

SECTION 10 - STABILITY AND REACTIVITY

**Thermal decomposition / conditions to be avoided:** No decomposition if used according to specifications.

**Dangerous reactions:** No dangerous reactions known.

**Dangerous products of decomposition:** No dangerous decomposition products known.

---

---

SECTION 11 - TOXICOLOGICAL INFORMATION

**Effects of Acute Exposure:** Not determined

**Effects of Chronic Exposure:** Prolonged or repeated exposure may cause allergic reactions in sensitive individuals.

**Development Toxicity:** Not determined

**Reproductive Toxicity:** Not determined

**Mutagenicity:** Not determined

**Carcinogenicity:** Not determined

---

---

---

---

SECTION 12 - ECOLOGICAL INFORMATION

**General notes:** Not available.

---

---

SECTION 13 - DISPOSAL CONSIDERATIONS

**General notes:** Dispose of in accordance with applicable regulations.

---

---

SECTION 14 - TRANSPORATION INFORMATION

**D.O.T. shipping name:** Heparinase III

This substance is considered to be non hazardous for transport.

---

---

SECTION 15 - REGULATIONS

Not available.

---

---

SECTION 16 - OTHER INFORMATION

**This information is given without any warranty or representation. It is believed to be correct but does not claim to be all inclusive and shall be used only as a guide. IBEX Pharmaceuticals Inc. shall not be held liable for any damage resulting from handling or contact with the above product. It is offered solely for your consideration, investigation and verification.**
